Illnesses

Describe symptoms, severity and duration of attack, and treatment.

Trip to the main land: left Hon. the 21st ^{May}
of ~~May~~ reached Elk Hart Ind. the
by May left Elk Hart July 4 reached
Maryland July ~~the~~ 5th, left Maryland
July 17, reached Waldora Ga. July
18. we went to Abbeidan Maryland to
visit my folks. Perry's. Granny. (1954)

Regressions in Habit Training

List age at which each occurred. Note measures used. What new form of learning was beginning at the same time?

Terry ~~laughs~~ laughs with her hand up
to her mouth. (to cover her mouth she
seems can giggle) 16 months
she dances and tries to snap
her fingers that's at 14 months. ~~at~~

Terry said night-night at 16 months. ^{also} went Trick out treat
at Valdosta Ga. at the age of 16 months (1954)
